

**CITY OF ROUND ROCK, TEXAS**  
**INVITATION FOR BID**  
**ALUMINUM SIGN BLANKS, CAPS AND BRACKETS**

IFB No. 12-009      Questions and Answers      Date of Issue: January 27, 2012

Please note the answers and clarification to questions to the solicitation referenced above.

1. Q: Attachment C of the solicitation references a POAD Adaptor. Is the vendor to provide this adaptor?  
**A: No. A POAD Adaptor should not be necessary. Mounting will be on a 2 3/8" pole. The adaptor is only needed for 3" poles.**
2. Q: Will the street signs blades be printed with the names of the streets or just covered with HIP material?  
**A: The street sign blades will be covered on both sides with HIP material. The street names will be printed on the signs as needed, in-house, by the City.**
